Firozabad, Uttar Pradesh | [Portfolio](#) | utkrashtkumar@gmail.com | [LinkedIn](#) | [GitHub](#) | [Hack The Box](#) | [Try Hack Me](#)

PROFESSIONAL SUMMARY

Motivated MCA student with a strong foundation in cybersecurity, Java development, and computer networks. Skilled in network security, penetration testing, incident response, and secure application development. Experienced in building real-time applications using Java, Kotlin, Firebase, and database technologies, with a passion for problem-solving and cybersecurity practices.

PROJECTS

Developer, HandToHand Loans - a fintech loan marketplace connecting borrowers with 100+ banks and NBFCs across India through a network of DSA (agent) partners, offering instant eligibility checks, AI-driven bank matching, and end-to-end digital loan processing.

Service Center Management System - Developed a Java-based application to manage customer service records, repair tracking, billing, and service requests using Oracle database integration.

Library Management System - Developed a Java-based application to manage books records, book status tracking, billing, and book requests using Oracle database integration.

EDUCATION

Masters in Computer Application – 7.31 CGPA.

Institute of Engineering and Technology, Lucknow

2025 - 2027

Bachelors – 8.04 CGPA.

Dr. Bhimrao Ambedkar University, Agra

2022 – 2025

Intermediate – 71.5%

Central Board of Secondary Education

2020 – 2021

Matriculation – 65.16%

Central Board of Secondary Education

2018 – 2019

SKILLS

Cybersecurity Skills: Network Security, Penetration Testing, Incident Response, Digital Forensics, Threat Hunting, Cryptography, Vulnerability Assessment, Security Compliance

Tools & Technologies: Wireshark, Kali Linux, Nmap, Git, Linux, Firebase, Android Studio, Supabase, Github

Programming Languages: Java, Python, C, Kotlin, Node.js, React.js, Next.js

Core Concepts: Cyber Security, Operating Systems, Computer Networks, OOPs, DBMS
